

WILLIAMS  
BAPTIST UNIVERSITY

# *Student Handbook*

2018-2019

## **THE UNIVERSITY**

### **STUDENT HANDBOOK/CATALOG**

Students enrolled at Williams Baptist University (WBU) enter into an agreement to support and to abide by the purpose and mission of the University. The Student Handbook interprets this agreement by clarifying and delineating the policies, regulations, and guidelines that aid the institution's mission and purpose. Students are expected to know the contents of the Student Handbook and the University Catalog and to comply with the stated policies. The Dean of Students acts as editor of the Handbook. All changes, amendments, and corrections should go through the Office of Student Affairs.

### **PHILOSOPHY OF STUDENT AFFAIRS**

A Christian liberal arts university has dual responsibilities in faith and learning. At Williams Baptist University Christian faith not only forms the foundation for education, but is also a goal in itself. Fulfilling its mission as a "campus of Christian purpose," the University promotes and teaches Christian faith and values hoping to instill in students a commitment to serve God and man. The Student Affairs program is committed to the objectives of a Christian liberal arts University and seeks to provide a living-learning environment that will foster the individual growth and development of each student.

### **WILLIAMS' COLORS**

Williams' colors of blue and white signify patriotism and purity. These colors were chosen by the student body in 1957.

### **WILLIAMS BAPTIST UNIVERSITY SEAL**

The seal of Williams Baptist University bears the motto "The Campus of Christian Purpose" and the Greek phrase, "MATHETEUSATE PANTA TA ETHNE," ("Make disciples of all nations"), part of Christ's Great Commission. The open Bible represented on the seal is symbolic of the idea that God's word is the source of all truth. The seal was adopted in 1941.

### **STUDENT EXPECTATIONS**

Williams Baptist University deliberately seeks to foster an atmosphere of student life that is conducive for students' personal and academic development. Student life is defined by the policies, curriculum, programs, and activities of the University. Students at Williams are encouraged to become participants in that aspect of campus life where they are best able to explore their talents, learn skills, develop relationships, form a personal value system, and discover a personal identity. All students are expected to conform to the context described by the policies and regulations of the institution.

## **GUIDELINES FOR BEHAVIOR**

### **STATEMENT OF VALUES**

Based upon the premise that each person has specific God-given abilities, and that each person is a part of a greater community which requires cooperation and mutual consideration, our goal at WBU is to provide an atmosphere in which a student may develop proper values, self discipline, a sense of responsibility, and desirable characteristics which will last an eternity. These values are compatible with the Christian faith and form the foundation of residence life, student activities, campus policies, Standards of Conduct, and other aspects of student life.

On May 2, 1980, the Board of Trustees adopted the statement below that summarizes the University's values:

"In line with this [Christian] orientation, every student is expected and required to respect and uphold personal and property rights; to foster and maintain those attitudes and conditions which contribute to the academic, moral, religious, and social goals of the University; and to manifest and act upon a genuine concern for the general well-being of fellow members of the University community." From this statement, the following list of values can be produced:

- Individual Worth
- Self-discipline
- Respect for Property and Environment
- Respect for others

These values best preserve the institution's Christian purpose and foster the personal development of each individual.

### **STANDARDS OF CONDUCT**

As a Christian institution, the University seeks to provide an environment that best promotes and fosters the holistic development of each student. A student who enrolls at WBU, whether personally committed to Christian ethical and moral values or not, assumes an obligation to conduct him/herself in a manner that is compatible with the University's goals, purposes, and functions and to abide by the policies and guidelines that govern the Institution. In addition, Williams Baptist University has the right and responsibility to provide an environment that is conducive to a students' freedom to grow and to learn and to take necessary measures to preserve that environment. In order to safeguard this freedom, the University defines and delineates a general statement of Standards of Conduct. Violations of the Standards of Conduct will be subject to disciplinary proceedings.

### **SEXUAL BEHAVIOR POLICY RELATED TO STUDENTS AND PERSONNEL**

(REVISED 09.21.2012)

Williams Baptist University was founded in 1941 by Baptists. It is an institution of the Arkansas State Baptist Convention. As a Christian academic community in the Baptist tradition, we believe that men and women are created in the image of God. We affirm the intrinsic worth of every individual.

We respect and appreciate cultural backgrounds other than those of our own. We respect opinions and attitudes other than our own. We seek to show honor, respect, and dignity to all individuals.

In accordance with scripture, we believe that the cornerstone of a Christian sexual ethic is faithfulness in marriage between a man and a woman and abstinence in singleness. Sexual activity outside the biblically-sanctioned marriage relationship falls short of God's desire for humanity.

Thus, Williams Baptist University holds to a biblical sexual ethic and definition of sexual identity. But because we believe that all men and women are created in the image of God, we believe in the

love and grace of God for all people, for those who live by a traditional sexual ethic and those who do not.

Based on our understanding of biblical standards, the values of the University community do not condone sexual impropriety, such as the use of pornography, pre-marital sex, adultery, co-habitation on or off campus, homosexual activity including same-sex dating behaviors, and all other sexual relations outside the bounds of marriage between a man and a woman. Williams does not endorse or approve of the trans-gendered lifestyle. Thus, we welcome all qualified individuals to our campus, but we do not condone sex-related behaviors that are contrary to our values and our interpretation of scripture (Genesis 1:26-28, Genesis 2:23-24, Leviticus 19:2, Micah 6:8, 1 Corinthians 6:18-20, Galatians 5:16-26, Ephesians 5:1-4).

The prohibition of these behaviors is expressed herein with respect and love to all those individuals who disagree with this policy. We treasure the freedom of conscience under God that He grants to all humans and we seek not to rob any individual of that freedom. Yet, herein we seek to exercise our freedom of conscience to unapologetically affirm a traditional Christian sexual ethic and require that all that are employed and/or enrolled adhere to this standard.

### **CRIMINAL BEHAVIOR**

The University requires all students to demonstrate due regard and respect for law. In the event one of its student members is in jeopardy before the law, either for the sake of conscience or for the purposes of testing the validity of particular provisions of law through deliberate violation, the University will not seek to protect him or her from due process of law. Regardless of the action of the courts, however, the University reserves the right to determine whether a student is fit to retain membership in the academic community.

### **PROFANITY**

The University expects all students to refrain from the use of profanity.

### **VIOLATION OF STANDARDS OF CONDUCT**

If a student's behavior is not consistent with the University's standard of conduct, a penalty ranging from warning or reprimand to immediate termination may be imposed. The specific penalty imposed will be determined by the nature and severity of the violation and will take into account any past disciplinary record. If there is evidence of a serious breach of the University's standard of conduct (e.g., a felony crime or serious moral turpitude) the Dean of Students, VP for Enrollment Management and Student Services and the President has the authority to suspend the student pending the resolution of the charges. The specific penalty imposed will be determined by the President of the University.

### **POLICY AGAINST UNLAWFUL HARASSMENT (REVISED 8-1-2009)**

WBU is committed to providing a work and an educational environment that is free of unlawful harassment. In keeping with this commitment, WBU maintains a strict policy that prohibits unlawful harassment of employees by managers, supervisors, or co-workers and students by teachers, coaches, counselors and peer advisors. Visitors to the campus and workers employed by the WBU, other auxiliaries, and other public or private organizations engaged in business with WBU are expected to comply with this policy.

The purpose of this policy is to: (1) familiarize WBU students with the definition of unlawful harassment and the forms it can take; (2) confirm that unlawful harassment will not be tolerated and is contrary to the standards of conduct expected and required of WBU students and employees; and (3)

make clear that students and employees who engage in unlawful harassment are subject to possible disciplinary action which may include discharge.

#### **DEFINITION OF HARASSMENT**

For the purposes of this policy, unlawful harassment means harassment on the job that is in fact prohibited by provisions of state or federal law applicable to WBU at the time the harassment occurs. Subject to this general definition, unlawful harassment may include unwelcome verbal, physical or visual conduct that unreasonably interferes with an employee's or student's performance or that creates an intimidating, offensive or hostile working or educational environment. \* This may occur where:

- Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment or education.
- Submission to or rejection of the conduct by the individual is used as the basis of employment or educational decisions affecting the individual.
- The conduct has the purpose or effect of having a negative impact upon the individual's work performance or of creating an intimidating, hostile or offensive work or educational environment. Under most circumstances, harassment refers to the type of conduct that is pervasive, repetitive, and that is sufficiently severe to alter the conditions of an employee's employment or a student's education or employment. It also may refer to a single incident that is sufficiently outrageous or harmful, in and of itself, that it substantially alters the conditions of an employee's employment or interferes with that individual's ability to perform job related responsibilities. Employees also should not confuse harassment with supervision. Supervisors have the right and responsibility to define the job that they want an employee to perform, as well as the manner in which an employee must perform that job. Thus, close supervision of an employee (which includes, but is not limited to, counseling and warnings about job performance, inappropriate conduct, or other performance issues) is not considered to be an example of unlawful harassment.

It should be noted that as a private, religiously-based institution the University reserves the right to engage students - in appropriate settings - in the consideration of sensitive issues that derive from the University's religious heritage and ideals. These sensitive issues may involve religious/theological concepts and practices or may involve issues relating to sexual or other matters of personal morality. The university will attempt to assure that discussions of sensitive issues are presented in a responsible way. In all things, the University will strive for a Biblical perspective reflecting traditional evangelical interpretations and understanding.

Furthermore, as a private, religiously-based institution the University reserves the right to restrict employment to individuals who share the core tenets of a traditional, evangelical Biblical theology and lifestyle (see Employment Discrimination policy).

#### **EXAMPLES OF HARASSMENT**

Harassment can take many forms and will vary with the particular circumstances. Examples of unlawful sexual harassment prohibited by this policy may include, but are not limited to, the following: unwanted flirtations, advances and/or propositions of a sexual nature; deprecating remarks, insults, humor, jokes and/or anecdotes that belittle or demean an individual's body or clothing; unwelcome and/or offensive displays of sexually suggestive objects or pictures; unwelcome and offensive touching, such as patting, pinching, hugging or repeated brushing against an individual's body; sexual assault; and/or suggestions that submission to or rejection of sexual

advances will affect decisions regarding such matters as an individual's work assignments, status, salary, benefits or other terms or conditions of employment.

Conduct that is part of a consensual relationship is not considered harassment, but only if the relationship is freely and mutually agreed by both individuals. A prior consensual relationship does not permit subsequent unwelcome or unwanted harassment.

**INCIDENT REPORTING**

Employees should report incidents of unlawful harassment in writing to their immediate supervisor or, if necessary, the Office of the President. Students should submit their complaints in writing to the Dean of Students or the Academic Dean's Office.

\* Harvey A. Silvergate, David French, Greg Lukianoff, Guide to Free Speech on Campus. Philadelphia: Foundation for Individual Rights in Education, 2005. P. 83.

The Supreme Court has held... that for students at colleges and universities, behavior, to qualify as "hostile environment" discriminatory harassment, must be *"unwelcome" and "discriminatory" speech or conduct, undertaken "because of" an individual's race or gender. The behavior must be so "severe," "pervasive and "objectively offensive" that it has the "systemic effect" of denying the victim "equal access" to education.*

**GRIEVANCE PROCEDURE FOR STUDENTS**

Students may file grievances concerning all phases of college life with either the University President, Vice President for Enrollment Management and Student Services or Dean of Students.

**DISCIPLINARY PROCEDURES AND SANCTIONS**

The disciplinary system at Williams Baptist University is designed to preserve the values of the campus community and to foster personal development. It is redemptive in nature, seeking to be just and equitable and to preserve the dignity and privacy of each individual. While every effort is made to protect the rights of the individual student, the University does not attempt to duplicate civil or criminal court proceedings. The following is a summary of procedures that are used in all aspects of campus life.

**I. Reporting Violations**

Any member of the campus community may report a violation of the University's values, policies and Standards of Conduct if he/she believes that there is evidence to support the claim. A resolution to the report is possible only if the following criteria occur:

- The report is in writing and signed by the person making the claim.
- The person making the report is willing to participate in the disciplinary process that may include attending hearings.

Reports of violations should be made in writing, using forms available through the Resident Director or the Office of Student Affairs. The completed report should be filed with the appropriate Disciplinary Officer:

<b>Violation</b>	<b>Officer</b>
Residence Hall Policy	Residence Director
Academic Integrity	Faculty Member or Academic Dean
Standards of Conduct	Dean of Students

Vehicle Policy

Director of Campus Safety

If the report needs clarification, elaboration or merits further investigation, it will be the disciplinary officer's responsibility to gather facts and data to help assure a fair resolution.

II. Hearing Process

- A. The officer determines whether the case should be handled through administrative channels or through a disciplinary council. The decision is based on the nature and severity of the violation.
- B. If a hearing is needed, a summons to the accused student will be issued by the officer for a hearing at the earliest date agreed upon by the officer, hearing body member, and the accused.
- C. Changes in a date for a hearing should be made in writing to the disciplinary officer in charge. At his/her discretion, the hearing date can be moved. A student who fails to appear at the hearing has forfeited his/her right to appear and the hearing will be held in the student's absence.
- D. The officer and/or the council hearing the case will determine what sanction(s) (if any) should be imposed.
- E. The accused student will be notified of the decision and given a written report in a timely manner.

III. Sanctions

Students found guilty of violating a campus value, policy, or Standard of Conduct, may be assigned certain sanction(s). Every effort is made to grant sanctions fairly, equitably, and consistently. Possible sanctions include, but are not necessarily limited to:

- A. Warning or reprimand - written or oral
- B. Counseling

- L. Administrative withdrawal from the University
- M. Suspension (for a defined period of time)
- N. Expulsion
- O. Failure grade on a test, assigned work, or course

IV. Appeals

- A. A student may appeal any decision if he/she is convinced that: 1) proper disciplinary procedures were not followed; 2) the decision was not consistent with the nature of the violation or the presented evidence; or 3) new evidence surfaced that was unavailable at the hearing.

- B. Appeals to decisions must be made, using the Notice of Appeal forms available in the Office of Student Affairs, to the initial disciplinary hearing officer/council within three (3) class days of being notified of the decision.
- C. The appellate officer/council will review the full record of the case and may affirm, reverse or refer the case for further proceedings.
- D. A written response from the appellate officer/council will be provided within five (5) calendar days. Final appeals must be submitted within 14 days of being notified of the original case decision.

VI. Suspension of Proceedings.

Williams Baptist University retains the right to suspend disciplinary proceedings and to deny admission or readmission to a student when it is determined that the student's presence on campus constitutes a danger or threat to the welfare of persons, property, or the University's mission and purpose.

VII. Academic Integrity

Violations of academic integrity such as cheating and plagiarism may be handled at the discretion of the faculty member in consultation with the Academic Dean. Before a penalty is assessed, the student's overall disciplinary record will be reviewed by the Academic Dean. Possible penalties for a first offense may include failure in the course in which the offense occurred. A student may be dismissed from the University for a Second Offense. All academic infractions become part of the student's permanent disciplinary record filed in the Office of Student Affairs.

VIII. Student Rights

When appearing before any hearing body, the student may request the following:

- A. to be informed in writing of the accusations.
- B. to prepare a defense to refute the accusations.
- C. to face the accuser or accusers either personally or to review written and signed accusations. (The Dean of Students may waive this right in extraordinary circumstances.)
- D. to be advised in writing of the results of the hearing.

IX. Appeals for Parking/Registration Violation

The Office of Campus Safety strives to provide fair and consistent enforcement of the parking or registration rules. Occasionally, a ticket is issued in error and the ticket may be appealed.

1. The Office of Campus Safety provides an online-only appeals process for tickets. Ticket appeals must be submitted within five (5) calendar days of ticket issuance. The fine will remain at the original rate until a decision is made regarding ticket status.
2. The appeal must contain all information requested on the online form.
3. Once submitted, a Campus Safety official will review the appeal and issue a decision via email within three (3) days.
4. Go to [www.wbcoll.edu/ticket](http://www.wbcoll.edu/ticket) to appeal parking tickets.
5. If an appeal is granted, the ticket is voided. However, if the appeal is denied a student may petition the Vice President for Enrollment Management and Student Services for further review and decision.

### **STUDENT RECORDS, NOTIFICATION, AND CONFIDENTIALITY**

WBU's policy regarding accessibility to, and confidentiality of, student records complies with the Family Educational Rights and Privacy Act of 1974. The policy is fully delineated in the university catalog.

All records of student disciplinary reports and proceedings are maintained by the Office of Student Affairs. Only those records of disciplinary action which result in expulsion or suspension become a part of the student's permanent file in the Office of Academic Affairs.

Parents of dependent students may be notified when a student is scheduled to appear before the Discipline Committee or when the student is placed on Disciplinary Probation by an administrative officer, if the student signs a release form granting permission to notify.

## **STUDENT LIFE**

### **ORIENTATION**

Williams Baptist University requires all freshmen to participate in Ascend, an orientation program. Ascend is a series of events designed to assist students in adjusting to university life. The program, which combines large and small group sessions, recreation, and entertainment, is intended to be an enjoyable and informative experience. Administrators, faculty, staff, and students combine their efforts to provide a positive experience for students who are new to the University. Students properly oriented have an advantage for success in the classroom, in the residence halls, and in extracurricular activities.

### **EXTRACURRICULAR ACTIVITIES**

Students are encouraged to become involved in extracurricular opportunities to aid their personal development as well as supplement their academic training.

Employers recognize that students' extracurricular activities supplement and enhance their intellectual capacity. In fact, for many employers, the experiences outside the classroom give the best indication of what graduates can do. Grades show the employer that they know their discipline, but can they practice it?

Involvement also provides important information about student identity, values, and abilities. If students serve as officers in a club or organization, it implies that students have leadership skills.

Active participation in athletics or intramural sports implies physical fitness and strength. Students who value service to others demonstrate this through participation in community service projects.

Williams believes in the duty and responsibility of each individual to contribute to the needs of the community. To support this ideal, clubs and organizations that wish to be officially recognized by the college participate in some form of community service. Efforts to encourage the objective of service to man are continuously being reviewed and expanded. A Service Learning Program is available which allows students to help others and gain valuable experience while doing so. This program offers volunteer opportunities that usually involve one to three hours per week. Contact the Office of Student Affairs for details.

Students who experience a satisfactory university experience have established significant relationships with friends and faculty or staff members; have developed a stronger personal identity and increase self-confidence; and have accumulated skills and experiences that will aid them in their future. Involvement in campus life can provide all this and more.

### **STUDENT INVOLVEMENT**

Numerous avenues exist for students to be involved on campus through clubs and organizations, intramural sports, residence halls, and so on. Some students arrive on campus and immediately find themselves in the middle of everything. Some are reticent and prefer to slowly pick and choose. Still others prefer to be asked or prodded to participate. Here are some suggestions for getting involved:

- **LOOK.** Be aware of opportunities. Read fliers and newsletters. Listen to announcements. The *Wing Tips* is a weekly on-line newsletter published by the Office of Student Affairs that provides updates to the master calendar and announcements. Information and news concerning all aspects of campus life are included in the *Wing Tips*. Clubs, organizations, academic departments, and administrative offices may submit items that are of interest to the campus community. The deadline for submitting these items is noon on Wednesday.
- **THINK.** Consider the opportunities in relation to personal interests, previous experience, and skills.
- **SELECT.** Decide on the level and quality of involvement that can be handled with respect to time and abilities.
- **ATTEND.** Get out of the room. Go to meetings. Attend campus events.
- **VOLUNTEER.** Let interests be known. Sign-up when help is solicited.
- **CREATE.** Form a new club. See the resident director about a program idea. Develop a service project or volunteer where there is a need!

### **CLUBS AND ORGANIZATIONS**

Many organizations provide students with opportunities to enhance their personal and academic development. These include:

### **SPONSORS**

Each club or organization must have a member of the faculty, administration, or staff to serve as a sponsor. The sponsor should be able to meet regularly with the organization and its leadership, co-sign all requisitions, and provide advice and guidance for the organization.

### **EXECUTIVE POSITIONS**

Students may only hold two executive offices simultaneously. All presidents of clubs and organizations must have a minimum GPA of 2.00 unless the club or organization policy dictates otherwise.

### **SOLICITATION AND FUNDRAISING**

Williams Baptist University encourages events that can benefit campus organizations. The Office of Student Affairs is available to provide resources and assistance with events that help raise money for organizations and other approved groups on campus. All fund-raising events or solicitation on campus or by university-sponsored groups must be coordinated through the Office of Student Affairs. This office has the responsibility of enforcing the following policy:

- An activity registration form available in the Office of Student Affairs must be completed and approved before initiating any fund-raising or solicitation event.
- Fiscal accountability for all monies raised is the responsibility of the organization's sponsor and the executive officers.
- No door-to-door solicitation will be permitted in campus housing, residence halls, classrooms, or offices.
- Events should not promote or sell any products or services that are contrary to the Mission/Purpose of the institution.
- Non-campus related groups, vendors, or individuals may not sell or solicit on campus without obtaining sponsorship of a recognized organization or authorization from the Office of Student Affairs.
- All other policies of the University must be observed.

### **PROCEDURE FOR ESTABLISHING A NEW ORGANIZATION**

Organizations at Williams are expected to reflect the ideals, purposes, policies, and traditions of the University. New organizations are approved by the Office of Student Affairs. Petitions for the

creation of new organizations are to be signed by ten students and must include the signature of a faculty advisor who agrees to be present at all organizational planning meetings. Permission to hold organizational meetings does not give the group official recognition by the University.

### **REQUIREMENTS FOR STUDENT ORGANIZATIONS TO BECOME OFFICIALLY RECOGNIZED AND CHARTERED**

- The name and purpose of the organization
- The drafting of a constitution and bylaws
- A list of officers
- The name of the proposed faculty advisor
- The signatures of ten students
- Information regarding national, state, or local affiliations with groups not connected with Williams Baptist University

The Dean of Students shall consider the petition for referral to the Student Life Committee. The petitioners must meet with the Dean of Students and Student Life Committee to answer any questions concerning the new organization. Upon the recommendation of these two committees, the Dean of Students will make the final decision. Each new club will automatically be on one year probation. The Dean of Students and the Student Life Committee may suspend the activities of student organizations.

### **AWARDS AND RECOGNITION**

Students, who distinguish themselves in academics, athletics, service, and leadership, are recognized in a variety of ways.

#### **FOUNDERS AWARD**

Faculty members elect students who demonstrate leadership, academic achievement, poise, Christian character, and participation in campus life as Founder's Award recipients. This is coordinated through the Alumni Affairs Office.

#### **WHO'S WHO AMONG AMERICAN COLLEGES AND UNIVERSITIES**

Faculty members nominate students who maintain strict criteria for academic and extracurricular performance.

#### **ACADEMIC AWARDS BANQUET**

Each spring semester, at a formal banquet, the faculty honors select students for their achievements in academics, leadership, and athletics. The event is sponsored by the Office of Academic Affairs.

## **STUDENT ACTIVITIES**

A wide variety of activities and events are provided each year to promote leadership development, to supplement academics, and to develop interpersonal skills. Student activities allow students a break from academics to mingle and participate on a social level. Students take active roles in planning and implementing a diverse program of student events. The Office of Student Affairs oversees the student activities program.

#### **STUDENT ACTIVITIES BOARD**

Students must apply to be on this board. The SAB plans campus-wide activities. The board meets regularly to plan and coordinate events for entertainment and recreation.

## **TRADITIONS**

Williams Baptist University believes in the rich heritage a traditional liberal arts campus provides. The traditional events provide an inviting framework in which to make memories, which are accomplished mostly through the student activities program. Some of the traditions at Williams are:

- ***FIRST WEEK/FIRST FAIR***  
The first few weeks of school are filled with events to welcome new and returning students to campus. The highlight of the week is First Fair--a festive, informative atmosphere where local businesses, student organizations, and local churches, set up booths in the Southerland-Mabee Center.
- ***HOMECOMING***  
The homecoming celebration at Williams spans several days in the fall. Alumni, students, faculty, other friends and supporters of the University enjoy receptions, a luncheon, basketball games, and the presentation of the Homecoming Queen, King and their court.
- ***CHRISTMAS IN THE COVE***  
The faculty members open their homes for students to drop in for refreshments and fellowship during the Christmas season.
- ***SPRING FLING***  
Spring Fling is a series of events held each April sponsored by the Student Activities Board to celebrate the beginning of spring. These events include many outdoor recreational activities including a 5K glow run/walk.

## **CAMPUS RECREATION**

All students, both men and women, are encouraged to participate in the campus recreation program. Numerous recreational sports are offered including: flag football, softball, volleyball, basketball, spike ball, disc golf and ultimate Frisbee. Tournaments and leagues are held throughout the year in all activities. Students who are interested in participating are encouraged to join a team or form their own team.

Much creativity and fun go into the process of selecting team names and nicknames for individual team members. Many teams purchase T-shirts with their names printed on them. Interested students should look in the cafeteria for announcements about organizational meeting times and competition schedules, or information is also available at the Office of Student Affairs.

## **ATHLETICS/USE OF FACILITIES**

### **GOAL**

Approximately 350 students participate in nineteen sports programs each year. The Athletic Department at Williams seeks to provide student-athletes an opportunity to compete in an intercollegiate athletic program that is fully integrated into the educational process and the goals, objectives, and mission of Williams. Success in achieving this goal is exemplified through the high academic achievements of many student athletes.

### **INTERCOLLEGIATE ATHLETICS**

Intercollegiate athletics at Williams includes basketball, softball, soccer, volleyball, golf, swimming, and basketball, baseball, soccer, golf, swimming, track and field, cross country, wrestling and Greco

## CHAPEL

Students, faculty and staff meet weekly on Wednesdays at 11:00 a.m. for our chapel services. We meet each week in Manley Chapel. The purpose of chapel is for the entire campus community to join together in a time of worship and to set our hearts and focus on Christ.

Chapel is required of all students at WBU. The Office of Student Affairs administers the chapel policy as determined by a faculty committee. Students are responsible for bringing their ID cards to chapel to scan their attendance. Once chapel starts and the doors are closed, students are considered absent. Students are allowed one paper slip attendance per semester if ID cards are lost or forgotten. Students are allowed four absences per semester. **Each subsequent absence will result in a \$50 fine being placed on the student's account.**

## CHAPEL EXEMPTIONS

A student requesting chapel exemption should complete a chapel exemption form and submit it to the Office of Student Affairs by the end of the second week of classes in order to avoid a \$50 processing fine. Each petition is considered on its own merit and must be renewed **each** semester. If a request is **not** granted, the student will be notified by campus mail.

### **Exemptions from chapel are possible in the following cases:**

- If a student lives off-campus and does not have a class or on-campus activity on Wednesday or until 12 noon or later on Wednesday.
- If a student has an unavoidable work responsibility which conflicts with chapel the student must provide a letter from his/her work employer, on letterhead, detailing the conflict.
- If a student is part-time (carrying less than 12 semester hours).

## CM FALL RETREAT

The purpose of the Fall Retreat is to encourage students to live out their faith personally, and in community with one another, as they have their souls refreshed and renewed. During the retreat students have the opportunity to deepen their relationship with Christ through corporate worship, small group discussion and fellowship.

Other aids to spiritual development come from the influence and guidance from faculty, staff, administration, Ministry Team, and various small groups and Bible studies that occur in resident halls and other student groups.

## REFINE

Refine is a weekly worship gathering on Tuesday evenings. We believe that everyone is refined when we encounter God, engage in worship and are equipped to serve His world. Students are led in worship by other students and hear teaching from God's word to apply to their daily life.

## CONVOCATIONS

- **FORMAL OPENING**  
The Formal Opening is on the first Wednesday of the fall semester to signify the beginning of a new year.
- **SENIOR CHAPEL**  
Seniors lead in worship and music at the last chapel service of the spring semester with special recognition given to the graduating class.

Singers Chapel, Missions Chapel, Cast Chapel, and Christmas Chapel

### **CIRCLE GROUPS/PEER MENTORING**

The Circle Group Leader program is a program for first-time students designed to assist in the social, personal, and academic acclimation to Williams Baptist University. Circle Group Leaders provide support through leading small group, modeling successful academic skills, emphasizing involvement on campus and in a local church, and helping new students take responsibility and initiative for their own individual growth and development.

### **MISSIONS**

Mission opportunities are very important and the University desires to see all students on mission with God all over the world. The University takes mission trips each spring break and summer. WBU also helps students find locations to serve during the summer, either in the United States or overseas. Campus Ministries encourages all students, faculty and staff to join in prayer for the spread of the Gospel throughout the world.

## **STUDENT SERVICES**

### **STUDENT SERVICES FEE**

Students are assessed a \$195.00 services fee per semester. This fee covers admission to athletic events and Lecture-Concert Series events, the student photo book, I.D. card, and mail box. The fee also supports the Student Activities Board that plans campus-wide activities. Students enrolled for less than six semester hours are not assessed the Student Service Fee. Part-time students are assessed a \$6.00 registration fee and the mandatory \$75.00 accident insurance fee. Part-time students are issued an I.D. card and a campus mail box.

### **STUDENT ID**

Student ID cards (Blue Cards) are placed in students' post office boxes by the Office of Student Affairs or for freshman students the ID cards will be given out during Ascend Orientation. Blue Cards are necessary to eat in the cafeteria and grill, to record chapel attendance, to check out recreational equipment, to attend athletic events, to attend open dorm, to gain access through security doors and to check out books from the library. Blue cards may also be used to receive a discount at area businesses. Lost cards should be reported to the Office of Student Affairs immediately. Replacement cards are \$15.00.

## **ACADEMIC ADVISING**

Each student who enrolls at Williams is assigned an academic advisor who assists in planning the student's course of study. The counsel that students receive from the first class until graduation can help determine a smoother and faster educational experience. Students should meet regularly with academic advisors. The Office of Academic Affairs is also available to assist students in their academic program.

### **ACADEMIC ADVISOR ASSIGNMENTS**

The Office of Academic Affairs is responsible for assigning every new student at WBU to a faculty member for academic advising. Usually, students keep the same academic advisor for their entire college career. The relationship between an academic advisor and a student often becomes one of the most rewarding and durable relationships a student will enjoy at Williams. In fact, friendships between academic advisors and students may well last a lifetime.

## **ROLE OF THE ACADEMIC ADVISOR**

The academic advisor works closely--and individually--with students to arrange each semester's class schedule. Moreover, the academic advisor assists students in the development of an overall degree plan. This degree plan becomes the blueprint for guiding students through the University's requirements. Academic advisors counsel students personally concerning their academic progress and their University experience generally. Students who experience any difficulty in their academic program will find their advisor eager to offer assistance and mature advice.

## **PRE-REGISTRATION SESSION**

Students who attend pre-registration sessions in the summer work with an advisor on a fall schedule. This pre-registration advisor may or may not be assigned to the student as a permanent advisor.

## **IMPORTANCE OF THE ACADEMIC ADVISOR**

Students should regard their academic advisor as a valuable--vital--resource. Students should not hesitate to consult their academic advisor on any matter pertaining to their university experience.

## **VIRTUAL BOOKSTORE**

WBU utilizes a virtual bookstore operated by Follett. New and Used books are available, as well as select book rental. Students should plan to pay at the time of order, and most major credit or debit cards are accepted. In some cases, students may use pre-approved financial aid for the purchase of books. The link for the virtual bookstore is found on the WBU website. All textbooks can be shipped to the Mail Room and Copy center for student pick-up. The address for the Mail Room is 56 McClelland Drive, Walnut Ridge, AR 72476.

## **CAMPUS STORE**

The WBU Campus Store is located inside the Eagle Coffee House and Grill, at the Student Center. It carries WBU apparel such as shirts, caps, pullovers, and jackets. In addition, it has snacks, electronics, personal hygiene, and other items students may need.

The store accepts Visa, Mastercard, American Express and Discover. Normal operating hours mirror that of the Grill, but are subject to change during special events, holidays, and the summer.

## **CAMPUS SAFETY**

Safety is an issue that affects everyone on campus: students, faculty, staff, and guests. With your permission, the Chief/Director of Police and Campus Safety can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, WBU can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in the manner are counted and disclosed in the annual crime statistics for the institution.

The Office of Police and Campus Safety encourages anyone who is the victim or witness to any crime to promptly report the incident to Campus Police, local law enforcement, or a campus security authority. However, because police reports are public records under state law, law enforcement cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to WBU campus security authorities as identified above.

**SAFETY AND CRIME PREVENTION EDUCATION AND AWARENESS**

The Office of Student Affairs is the source for promoting education and awareness of safety and security issues. The goal is to eliminate criminal activity through prevention and awareness. Security and safety are issues that affect everyone and must involve everyone. Each individual must recognize the potential hazards to persons and property and take reasonable precautions for his/her and others’ protection. To encourage individual responsibility, Williams Baptist University promotes crime prevention and prevention education to all members of the campus community. Existing programs

and policies that affect safety and security are continually evaluated and revised through the Office of Student Affairs.

The University sponsors several on-going programs for crime prevention, which include, but are not limited to:

At registration each semester, students provide emergency contact information for this system. Testing of this service takes place numerous times a year.
- Active Killer on Campus Training: Students, faculty and staff are to follow the United States Department of Justice recommended Run, Hide, Fight response plan to an active shooter on campus. This training may be done through video, publications, and actual scenario training. For more information, go to [www.wbcoll.edu/safety](http://www.wbcoll.edu/safety).

### **TELECOMMUNICATIONS CONDUCT STATEMENT**

Williams Baptist University is strongly committed to creating and preserving a Christian environment that fosters spiritual growth and respects the dignity of all persons. However, as society grows more complex and the field of telecommunications continues to expand, it becomes increasingly difficult to shield members of the campus community from influences that threaten this aim.

It is imperative that individuals exercise personal responsibility in making decisions concerning the use of telecommunications or other communication media on campus. Furthermore, individuals must understand that any communication in a public forum (blogs, public Internet bulletin boards, etc.) is also subject to the Standards of Conduct.

The Standards of Conduct prohibits lewd, obscene, indecent, or immoral behavior on campus. Students need to be aware that "behavior" includes viewing, reading, or other means of participation in such activities.

**FIRST OFFENSE:**

An email/written warning will be sent to the student with a copy to the Office of Student affairs. The warning will be:

**FRESHMAN ACCEPTANCE CRITERIA**

The following criteria are considered when selecting candidates for unconditional admission.

**STUENTS WITH DISABILITIES/ADA**

Disability accommodations are offered through Williams Baptist University Counseling Services. It is our desire to help students make the transition into college life and connect them with those services and resources needed to be a successful college student.

In accordance with Section 504 of the 1973 Rehabilitation Act and the Americans with Disabilities Act of 1990, WBU provides **reasonable accommodations** to students with a physical or mental impairment that substantially limits one or more major life activities including learning.

It is important for students to understand that at WBU students who wish to receive accommodations must self-identify to our counselors in order to begin the accommodation process. *Please note that current and appropriate **documentation** of a disability is required in order to obtain requested services.*

### **COUNSELING SERVICE**

The mission of Williams Baptist University Counseling is to help all students achieve the maximum benefit from attending WBU. Our goal is to assist students in becoming wise, mindful, and balanced adults by helping them develop interpersonal skills, intrapersonal skills, life management skills, intellectual skills, career exploration and career search skills. The Counseling Office strives to help students in assessing themselves, building a sense of self-respect and establishing a deeper respect for others and nature. The Counseling Office supports each student in integrating all types of learning experiences and contemplating their lives holistically while applying this not only to their lives at college but also throughout the rest of their lives.

The Counseling Office offers short term personal counseling and career counseling, by appointment, for enrolled Williams Baptist University students, Monday-Friday 9:00 a.m. to 4:00 p.m. A full-time Licensed Professional Counselor provides services in a safe, supportive, and confidential environment at no cost to the student. Numerous books and pamphlets are offered, as well as local community resources available through referral by the counselor.

Appointments can be made by stopping by the office located in the Joy Ring Student Success Center, by emailing [acooper@williamsbu.edu](mailto:acooper@williamsbu.edu) or by phoning 870-759-4184.

Adherence to these standards ensures the confidentiality of all counseling services. You can be assured that all discussions with the counselor are private and no information about you can be shared without your written permission.

Confidentiality will be kept at all times with the following exceptions:

- PLEASENOTE it is required by law to report all cases of current abuse. Past abuse must be reported when there is any possibility of current danger to any child, elderly or disabled person (e.g., a child lives with the abuser). When there is reason to suspect child/elder abuse past or present.

### **ACADEMIC TUTORING**

A tutor is an additional resource to help students succeed. The main focus of tutoring in the Joy Ring Student Success Center is the improvement of study skills, time management and knowledge of general subjects. In the counseling center we focus on helping students with foundational skills. Foundational skills are those skills in reading, writing and mathematics, as well as learning time management and study skills, which are necessary for students to succeed in college-level work.

The tutorial sessions are intended to help the individual understand the course material. Tutoring sessions are NOT an opportunity for the student to have the tutor do their homework. The tutor is provided to mentor the tutee and guide them through the assignment. Students seeking tutoring are required to bring their textbooks and specific questions and problems to each session.

When a tutee is facing difficulties that go beyond the skills of the tutors, the student will be encouraged to meet with their subject professor.

Online private tutoring resources are also available with a cost to the student.

- ThinkingStorm online tutoring. <http://thinkingstorm.com/>
- Smarthinking online tutoring: <http://www.smarthinking.com/>

### **ADMINISTRATIVE INTERVENTION/WITHDRAWAL**

Students who exhibit inappropriate behavior resulting from psychological or emotional difficulties or behavior that poses a potential threat to themselves, others, or property will be referred to the Dean of Students. In extreme cases, the student may be administratively withdrawn from the University.

## **FINANCIAL AID**

The financial aid program at Williams has two objectives: (1) To reward outstanding students for past academic accomplishments, (2) To assist students who, without such aid, would be unable to attend college. The Williams' financial assistance program consists of grants, loans, and work-study. Inquiries concerning financial aid at Williams should be directed to the Director of Financial Aid.

### **PAYING FOR YOUR EDUCATION**

There's no doubt about it: A college education is one of the most important (and one of the best) investments students will ever make. The Financial Aid Office at Williams understands this and wants students to know that if they have a question about their scholarship or loan, please come by the office or call us at 870-759-4112. The information below will help to answer students' questions about financial aid and payment plans.

### **TYPES OF FINANCIAL ASSISTANCE**

The Financial Aid Office will be happy to provide students information about sources of financial assistance. This assistance can be in the form of scholarships, loans, grants, and work-study that is either funded by the state and federal government or Williams. All assistance has certain restrictions such as academic performance, income and availability. It is therefore very important to apply early in the spring.

#### ***FINANCIAL AID TIMETABLE***

Students must fill out a Free Application for Federal Student Aid (FAFSA) each spring to determine eligibility for federal funds for the next school year. The FAFSA determines if students are eligible for a Pell Grant, loan, and work-study. FAFSA worksheets can be obtained from the Financial Aid Office. The FAFSA can be completed on-line at HYPERLINK "<http://www.FAFSA.ed.gov>". **Students must complete this form before leaving for the summer.**

#### ***WORK-STUDY***

University work-study is a federal program that allows students to earn money to help pay educational expenses. University work-study is based on the students' need, the amount of money the university has for the program, and the amount of aid that students receive from other programs. Unlike a scholarship, grant, or loan, work-study will not be paid to their account in a lump sum. Students earn minimum wage and are paid monthly on the hours turned in on a timecard.

### **WORK-STUDY EMPLOYMENT**

Students looking for a job should fill out the Work–Study Questionnaire ([http://www.williamsbaptistcollege.com/financial\\_aid\\_scholarships/printable\\_forms.aspx](http://www.williamsbaptistcollege.com/financial_aid_scholarships/printable_forms.aspx)) and mail it to the Financial Aid Office. A questionnaire must be in their file before they will be placed in a position. If they are not placed in a work-study position before schools starts, a list of open positions is available in the Financial Aid Office.

### **EXPEDITED PROCESS**

Students who have all their financial assistance completed and in order will be assured of a quicker registration process in the fall. Students who have completed the application process prior to registration will receive an awards letter that indicates their specific financial aid awards. Students who have not completed the application process or who have not received their awards letter will be required to use the Williams deferred payment plan unless there are other arrangements.

### **DEFERRED PAYMENT PLAN**

Williams Baptist University realizes that all students cannot pay the entire balance of their account at the time of registration, therefore, Williams offers a deferred payment plan. Under the deferred payment plan, one-fourth of the students' total account is due and payable at registration. This can be paid through financial aid grants, scholarships, or loans. However, the necessary documents (FAFSA, scholarship letter, taxes, etc.) must be on file in the Financial Aid Office prior to registration.

The balance will be divided into three equal payments, with the payments billed on a monthly basis. Due dates for payment are October 10, November 10, and December 1, for the fall semester. A finance charge at the rate of .833% per month will be levied on any unpaid balance. Prior to final exams, students who have an unpaid balance must contact the Business Office at 870/759-4123.

### **SCHOLARSHIP GUIDELINES**

- Anyone who receives the benefits of institutional or private scholarships administered by the University is expected to maintain a sympathetic and cooperative attitude toward the purposes and policies of Williams.
- Students who enter into their second disciplinary offense in one semester forfeit institutional and/or private scholarships immediately and become ineligible for institutional/ private scholarships for the following semester. Future eligibility will be determined on an individual basis by the Financial Aid Committee.
- In the event of withdrawal, dismissal, or a reduction in course load to less than 12 semester hours, the student forfeits institutional and/or private scholarship assistance for the current semester. In certain situations, scholarship benefits may be prorated.
- If a student withdraws voluntarily from an activity for which he/she is receiving scholarship assistance then the student forfeits the scholarship for the entire current semester. If a student is dismissed from an activity for disciplinary reasons, then the student's scholarship assistance for that activity will be discharged on a prorated basis.
- No student may receive institutional/private scholarship funds for more than eight semesters or after a bachelor degree is earned.
- International students are eligible to apply for academic and athletic scholarships.

An on-campus nurse is available part-time, Monday, Tuesday, and Wednesday 9:00a.m. – 2:00p.m. to see the sick students and can dispense over the counter meds or recommend a MD visit at no cost. Campus Health has a verbal agreement with 1<sup>st</sup> Choice Healthcare clinic in Walnut Ridge for WBU students where they can be seen quickly and will send the nurse a discharge note for follow up if necessary. The nurse can perform limited nursing duties such as: administer prescribed injections with an order from the students' physician, remove stitches or staples, BMI, body fat, BP and blood sugar screenings, and test for influenza and strep. The nurse also teaches CPR and first aid. Campus Health hosts a weight loss completion each year. Campus Health is located in the Mabee Student Center.

## HOUSING SERVICES

All students are encouraged to live on campus in order to experience a more satisfactory university experience. Williams Baptist University offers and maintains living accommodations for single and married students. These accommodations include apartments and residence halls. Wilson, Butler, Cash and Nicholas Halls are the residential facilities for men. Southerland Hall, Shell Hall, Belle Hall and Southerland Hall Apartments are the residential facilities for women. Eight apartment units are available to married/single parent students. Housing space is limited, so early application is advisable. Information is available in the Office of Student Affairs or on the website.

Policy and guidelines are made available for residents in all campus housing units. Residents or tenants in these units are expected to comply with all campus and housing policies or be subject to eviction or disciplinary action.

### RESIDENT REQUIREMENT

Single students, who do not live at home, are expected to live on campus. Students must be at least 21 years old by the end of the current semester, have 60 or more hours, and have a cumulative GPA of 3.00 for exemption from the residency requirement. When registering, students will be expected to provide information about their residency. Students failing to comply with the residency requirement or submitting false information are subject to disciplinary action including suspension and fines. Once a student reaches age 23, the residency requirement is void.

Resident students whose course loads fall below 12 semester hours must file a request for continued campus housing with the Dean of Students to determine continued eligibility for student housing.

## HOUSING (FAMILY)

### APPLICATION

Applications for on campus family housing are included in the application packet provided by the Office of Admissions to new students and are also available on the WBU website and in the Office of Student Affairs. All applications are forwarded to the Office of Student Affairs, P.O. Box 3731.

### ASSIGNMENTS

Housing units are assigned to students on a first-come basis according to the University's housing policy. Assignments are made by the Office of Student Affairs. Neither applications for housing nor rank on housing waiting lists guarantees a housing assignment. Once a tenant is notified of the definite availability of an apartment, the tenant is required to pay the deposit (equal to one month's rent). The deposit is to be paid within three business days from the time of notification. Tenants will not be officially given an apartment until this deposit is paid. Tenants are also asked to sign a tenant agreement form and must be renewed by April 1 of each year. The tenant agreement covers occupants of university-owned apartments and is effective on a month-to-month basis that must be renewed by July 1 of each year.

### REFUND OF SECURITY DEPOSITS

One-third of the security deposit is refundable only after the premises have been vacated, inspected, charges for any damage have been assessed, and all accounts have been cleared, and a formal written refund request has been made. The remaining balance of the security deposit is used for maintenance of the facility in preparation for new residents. Requests for Residence Hall Security Deposits and Family Housing Deposits must be made in writing to the Office of Student Affairs. If a written request is not made within 6 months of vacating, it will be assumed the refundable deposit amount is

being donated to Williams Baptist University. The refundable deposit will be placed in the Scholarship Fund.

### **FACILITIES**

## **RESIDENCE LIFE**

Residence halls can have a positive impact upon the educational achievement of students who live in them and upon a student's personal growth. The student's background, the decision to live in a residence hall, the peer group that exists within the residence hall, the student's roommate, and the Resident Advisor can serve to influence academic and personal growth.

On-campus living at WBU provides a great living and learning experience. Students can experience living next to an individual from a different culture, a different section of America, or even a different country. Living in the residence halls plays an important role, as students become a part of the academic community at WBU. Also, studies show that students who live on campus tend to make better grades. Reasons for this may include being closer to the library and the computer lab, or the fact that residence life is more conducive to studying than off campus housing.

### **GOALS FOR RESIDENTIAL LIVING:**

- To provide a living-learning environment that is conducive for individuals' academic and personal growth and development.
- To provide facilities that are well maintained, safe and clean.
- To foster the development of service, leadership and interpersonal skills by encouraging self-governance and by providing educational, service, and social programs.
- To provide trained staff and management services that help to ensure an orderly and effective administration of the residence life program.

By accepting admission to Williams Baptist University, students assume the responsibility to abide by the rules and Standards of Conduct of the University, as well as, city, state, and federal laws.

### **INVOLVEMENT IN RESIDENCE LIFE**

Studies have shown that students who become "connected" to their campus by forming relationships and participating in activities tend to persist in the attainment of their degree, have a higher grade point average, and develop socially at a greater rate than their peers who do not get involved. Residence Life offers many opportunities for involvement.

### **RESIDENT ASSISTANT (RA)**

A Resident Assistant (RA) is a part of the Residence Hall staff. Each residence hall has a well-trained staff consisting of a Resident Director and Resident Assistants. Resident Assistants are to help students with any issues that may occur, whether the issues are in the Residence Halls or somewhere else on campus. The RAs provide assistance in the halls, the lobby, and the cafeteria.

The Resident Director (RD) is responsible for the total supervision, counsel, direction, and activities in the residence hall. The RAs provide assistance in the halls, the lobby, and the cafeteria.

### **RESIDENT'S BILL OF RIGHTS**

The residence hall is a community that depends on an understanding and toleration of different lifestyles, cultures, and rights of others. A recognition and responsibility of the welfare of others is also an indication of maturity. A summary of rights to help you and others on your floor relate successfully in a community living environment is listed below:

- Residents have a right to live in a safe environment that is free of intimidation and physical or emotional harm.
- Residents have the right to study or to sleep without noise, interference, or distractions.
- Residents have the right to personal privacy.
- Residents have the right to expect respect for their personal property.
- Residents have the right to live in a clean environment.
- Residents have the right to complain to, and to expect assistance from, residence staff in settling conflicts.
- Residents have the right to have guests temporarily with the expectation that these guests will respect the rights of other residents.
- Residents have the right of free use and access to their room without pressure from a roommate or other residents.
- Residents have the right to expect courtesy and consideration from a roommate or other residents.
- Residents have the right to learn, grow, and develop as individuals with unique interests, differences, and values.

Remember you may choose to refuse these rights for yourself. However, you may not choose to refuse these rights for other residents.

### **RESIDENCE HALL DAMAGE ASSESSMENT**

Students who damage campus buildings and/or property will be billed for the cost of repair. **A fee sheet, with cost for repairs, is distributed to all resident students at the beginning of the semester. Additional copies are available at the front desk in each lobby.**

### **RESIDENCE HALL APPEARANCE**

All students are expected to take an active interest in the total appearance of the residence halls. By working together, students can keep the lobbies and halls clean with a minimum number of work hours. When entertaining guests, the residents are expected to leave the area clean. Please remove soda cans, trash, crumbs, etc., from the lobby. Students are not to sleep on lobby furniture. Rough and rowdy behavior cannot be tolerated. Please do not sit on lobby tables. The volume of the TV should be kept at a minimum. Be considerate of others who are visiting or studying in the lobby.

### **VISITING**

Visitors are received in the main lobby of each residence hall. Therefore, residents should always be properly dressed and wear shoes in this lobby.

Lobby visiting hours end at 2:00 a.m. each night. Entering through the windows of the residence halls is prohibited. There is a \$100 fine for removal of screens from windows.

### **REFUND OF SECURITY DEPOSITS**

One-third of the security deposit is refundable only after the premises have been vacated, inspected, charges for any damage have been assessed, and all accounts have been cleared, and a formal written refund request has been made. The remaining balance of the security deposit is used for maintenance of the facility in preparation for new residents. Requests for Residence Hall Security Deposits and Family Housing Deposits must be made in writing to the Office of Student Affairs. If a written request is not made within 6 months of vacating, it will be assumed the refundable deposit amount is being donated to Williams Baptist University. The refundable deposit will be placed in the Scholarship Fund.

### **ROOM ASSIGNMENTS**

Room assignments are made by the Residence Hall Directors once the application for housing and the \$75 security deposit have been received. Every effort is made to honor requests for rooms and roommates. However, the University reserves the right to make changes deemed necessary. Every student will be assigned a roommate unless a private room is requested and available (for an additional fee). Private rooms are assigned based on seniority and availability.

### **PRIVATE ROOMS**

A student living alone in the residence hall will be charged for a private room except for the following situations:

- When a roommate moves out, the room rate will not change as long as the student is willing to take a roommate or is willing to move in with another roommate.
- Any student who is willing to move in with another roommate but one is not available.

Ordinarily, the student with less tenure as a student will be asked to move to the other student's room. This will prevail unless by mutual consent the other student prefers to move. The University reserves all rights in connection with room assignments to residence halls or the termination of occupancy.

### **ROOM CHANGES**

Students will be expected to live in the room assigned to them. Students are not permitted to move from their assigned room without specific authorization from the Residence Hall Director. If a move should become necessary, the Residence Hall Director will have to authorize the move. Room changes must be made within the first three weeks of the semester. After that date, a \$50 room change fee will apply. If there are two persons without roommates, they will be expected to move together and close the other room. Unauthorized moves may result in disciplinary action.

### **STEWARDSHIP OF PROPERTY**

Students are to exercise the same respect for university furniture and housing as they would in their own home. The occupants of a room in the residence hall are financially responsible for all property that is part of the room including windows, screens, and doors. Occupants will be held accountable for any damage that occurs while living there.

Prior to leaving for breaks and holidays, students are expected to remove all trash from their rooms. Failure to do so will result in a \$25 fine per person/ per room.

### **ROOM CHECK**

Students are expected to keep their rooms clean and orderly. It is a joint responsibility of roommates and/or suitemates to be good housekeepers. Rooms are checked on Wednesdays; however, the University reserves the right of periodic inspections of room conditions, including refrigerator contents, by residence hall administration at any time. In order for rooms to be in good condition, beds should be made, clothing should be in drawers or closet, trash containers should be empty, floor and furniture should be free from dirt, dust, and stains, books and other articles should be arranged so as to present an orderly appearance, commodes, basins, and showers should be clean. Remember: dirty toilets, sinks and showers can fail a room. First fail--there will be no penalty. For each subsequent failure of room check, students will be charged a fine. A member of the Maintenance Staff or Security may accompany the RA during the weekly room checks.

### **ROOM INSPECTION**

Williams Baptist University reserves the right to inspect a room or apartment at any time. A room inspection may be performed when the presence of alcohol, drugs, or other contraband is suspected. The University reserves the right to call local authorities as necessary. When an inspection is performed, the following guidelines must be followed:

- Two university officials, only one of whom can be a student, must perform the inspection.
- If found, the university official and/or police would confiscate contraband for evidence.
- The Vice President for Enrollment Management and Student Services and the Dean of Students will be notified of the results of the inspection.

### **ROOM DECORATIONS**

Room decorations, such as pictures, pennants, and calendars may be posted only in a manner as to avoid damage to walls, doors, etc. Nails, screws, or staples are not allowed. Sticky tack is recommended. Obscene pictures or literature may not be displayed in a residence hall. Room decor may not be contrary to the values held by the University.

The display of alcohol or tobacco related products are not allowed. Carpet is allowed, but may not be stuck down with tape or tacks. If carpet is put in, students are responsible for bringing a vacuum. Blinds or drapes should be closed after dark if the room is lighted. Road signs, warning flares and similar paraphernalia are not permitted in the residence hall.

## **FURNITURE**

An inventory of the furnishings and the state of repair is taken at the start of each year and maintained by the residence hall director. The residents are advised to check the inventory and conditions of the room and furnishings with an RA at the time room is occupied. Furniture may not be removed from rooms. Lobby chairs are not to be taken to residence hall rooms.

## **RESIDENCE HALL ACTIVITY FEE**

A \$125.00 fee per semester will be collected from each resident student during registration. This fee helps pay for residence hall activities.

## **VALUED ITEMS LIST**

Even though the University cannot accept responsibility for theft or damage to items such as stereos, radios, bicycles, etc., a valuables registration form is available from the RA. The form, kept on file by the Residence Director, will help in the event of theft or damage.

## **INDIVIDUAL PROPERTY LIABILITY**

The University cannot accept responsibility for any theft or damage due to fire, water, etc., in college-owned facilities at anytime. **DOORS SHOULD BE KEPT LOCKED AT ALL TIMES.** Students should check with their parents concerning insurance for items such as musical instruments, stereos, etc. The parents' personal property or home insurance may cover such items. Immediately report, in writing, any loss of property to the RA or Residence Hall Director.

## **MAINTENANCE**

**Students are not to contact maintenance directly.** Report any room repairs or problems regarding lights, plumbing, doors, etc., to the RA on your hall or to the RD. Please complete the form that is available at the front desk and turn it in to the RA or Residence Hall Director immediately. Specify where the problem is and put room number on the form. We can save time and expense by repairing minor defects before continued use creates a major problem.

## **RESIDENCE HALL MEETINGS**

Attendance at all Residence Hall Meetings is required unless excused by the Resident Director. The Resident Advisors will ask the students who are on their hall to meet with them periodically. All meetings are for the purpose of improving communication, solving problems, providing information, etc. Absence from hall meetings will result in a fine.

## **RESIDENCE HALL ACCESS POLICY**

The policy for entering and exiting the residence halls is designed to blend personal freedom and responsibility for the use of time on and off campus. It is not designed to accommodate the indiscriminate use of time that jeopardizes personal safety, academic success, or that is incompatible with the University's values. Students who violate the policy or who demonstrate irresponsible use of the policy may be referred to the Resident Director or to the Dean of Students for disciplinary procedures or other intervention.

## **PET POLICY FOR RESIDENCE HALLS**

No pets (i.e., fish, hamsters, kittens, etc.) are allowed in the residence halls.

## **LAUNDRY ROOMS**

Washers and dryers will accept either coins or debit cards. Change machines are offered in both the men and women's lobbies. Since, the laundry rooms are shared with numerous students, clothes should be removed from washer/dryers as soon as they are finished. Washing supplies are to be kept in students' own rooms. The laundry room is cleaned periodically and items left over 24 hours will be removed.

### **CABLE TELEVISION**

Cable service is provided in each residence hall room at no charge from September 1 to April 30. Satellite dishes are not allowed in the residence halls.

### **MICROWAVES**

Due to fire safety codes, cooking in the residence hall rooms is restricted. (Coffee pots and hot air popcorn poppers are allowed.) A microwave is also available in the private lobby of Wilson, Nicholas, Shell, Belle and Southerland Halls. Students who live in Butler Hall or Southerland Hall Apartments may have a microwave in the kitchen area of the apartment.

Also, residents are prohibited from activities that involve incendiary (flame or explosion producing) devices in the residence hall such as candles and firecrackers.

### **OVERNIGHT GUESTS**

Overnight guests must sign-in and register their vehicles at the front desk. A resident who does not register his/her guest will be assessed \$10.00 per night. Overnight guests are subject to the same regulations and standards as students. Guests may only stay as long as the Housing Director grants permission.

The Resident Director may recommend to the Dean of Students the eviction from student housing of any resident whose influence is a detriment to other students or who consistently manifests a non-cooperative spirit in university housing. The University reserves the right to move a student when necessary.

### **STUDENT/RESIDENCE HALL SAFETY**

For student safety, residence halls provide smoke detectors, fire alarms, fire safety films, fire escape exits, and intruder alarms on selected entrances and exits. It is a serious matter to tamper with any of

this safety equipment because it affects the safety of all residence hall students and staff. Opening a fire door will result in a \$50 fine. Tampering or playing with the firefighting equipment and/or alarms will result in disciplinary action, including, but not limited to, disciplinary dismissal. Firearms, of any type, including look-alike guns, are not allowed on campus.

#### A. If an earthquake is felt:

1. If inside, stay inside; if outside, stay outside.
2. If inside, take cover under a heavy desk, table, in a supported doorway, or along an inside wall. Stay away from glass. Do not use candles, matches, or other flame during or after the tremor because of possible gas leaks.
3. If outside, move away from buildings and utility wires. The greatest danger from falling debris is just outside doorways and close to outer walls. Once in the open, stay there until shaking stops. If in a moving car, stop as quickly as safety permits, but stay in the vehicle. When safe, proceed to Midkiff Lawn and await further instructions. Stay together with those who were in the same building as you. This will make it easier to determine if all are present.

## FIRE PRECAUTIONS

- To help prevent fire, residents are requested to observe the following precautions:
- **Do not** overload or abuse electrical outlets.
- Check appliance cords for frayed or worn areas.

- Refrain from activities that involve incendiary (flame or explosion producing) devices in the residence halls or apartments such as candles and firecrackers. The use of incense in university housing is prohibited.
- Do not use candles in the residence halls.
- Do not smoke anywhere on campus.

## VALUES VIOLATION PROCEDURES

### STATEMENT OF VALUES:

Based upon the premise that each person has specific God-given abilities, and that each person is a part of a greater community which requires cooperation and mutual consideration, our goal within the Residence Halls at Williams Baptist University, is to provide an atmosphere in which a student may develop proper values, self discipline, a sense of responsibility, and desirable characteristics which will last an eternity. These values are compatible with the Christian faith and for the foundation of residence life, student activities, campus policies, Standards of Conduct, and other aspects of student life.

On May 2, 1980, the Board of Trustees adopted the statement below that summarizes the University's values:

"In line with this [Christian] orientation, every student is expected and required to respect and uphold personal and property rights; to foster and maintain those attitudes and conditions which contribute to the academic, moral, religious, and social goals of the university; and to manifest and act upon a genuine concern for the general well being of fellow members of the University community."

From this statement, the following list of values can be produced:

- Individual Worth
- Self-discipline
- Respect for Property and Environment
- Respect for Others

It is these values that best preserve the institution's Christian purpose and fosters the personal development of each individual.

The disciplinary system at Williams is designed to preserve the values of the campus community and to foster one's individual personal development. It is redemptive in nature, seeking to be just and equitable and to preserve the dignity and privacy of each individual. While every effort is made to protect the rights of the individual resident, the University does not attempt to duplicate civil or criminal court proceedings.

Therefore, the disciplinary system within the Residence Hall Community, seeks to endorse the philosophy of and to work in cooperation with the University's larger disciplinary system.

### VIOLATIONS

A violation is any behavior that fails to uphold civil law, disrupts or threatens the peace, or jeopardizes the safety and welfare of persons or property. Violations are not tolerated and will result in an immediate disciplinary response.

Students should be aware, however, that infraction records are viewed seriously and can result in further disciplinary response.

## **REPORTING VALUES VIOLATION**

See Section: Disciplinary Procedures and Sanctions (pages 6-8).

## **ALCOHOLIC BEVERAGES/ILLEGAL DRUGS**

Students possessing, distributing, displaying, or using alcohol and/or illegal drugs will be subject to immediate disciplinary action. Containers, posters and advertisements of such are prohibited in the rooms of the students and their vehicles. Students present on campus where alcohol or controlled substances are being used, whether participating or not, are also subject to disciplinary action.

## **ILLEGAL ENTRY**

Anyone opening the doors with anything other than a key will be confronted and dealt with in a disciplinary manner. Confidentiality is provided to those who report offenders when safety is involved. If a student locks himself out, he should either find his roommate and use his key or get the Resident Advisor or Resident Director. Windows are not to be used for access. If the screen is removed, for any reason other than fire, there is a \$100 fine.

## **RESIDENCE HALL CHECK IN PROCEDURES**

Upon arrival, students report to the front lobby of Men's ( or Women's housing. At that time, they sign a housing contract and check into rooms. Students then inspect their rooms and note any damages on the check-in sheet to avoid charges at checkout.

## **RESIDENCE HALLS CHECKOUT PROCEDURES**

- Everyone must go through a checkout procedure. One-third of the security deposit is refundable only after the premises have been vacated, inspected, charges for any damage have been assessed, all accounts have been cleared, and a formal written refund request has been made. The remaining balance of the security deposit is used for maintenance of the facility in preparation for new residents. Requests for residence hall security deposits must be made in writing to the Office of Student Affairs. If a written request is not made within 6 months of vacating, it will be assumed the refundable deposit amount is being donated to Williams Baptist University. The refundable deposit will be placed in the Scholarship Fund.
- After everything has been moved out and the room and bathroom have been thoroughly cleaned, see the Resident Director or Resident Advisor to complete the checkout form.
- The walls and windows must be cleaned (no writing on the windows and all tape, posters, and stickers must be removed.)
- The mirrors must have all stickers cleaned off.
- The floors, toilets, and showers must be cleaned thoroughly. All residue must be removed from the floor.
- Make sure all storage areas are cleaned out.
- All furniture is to be moved back to its original place. Resident Director will check the rooms after everyone has moved out of the residence halls. **BE SURE TO TURN IN ALL KEYS.** If the key is not returned, \$50.00 will be charged to the resident so the lock can be changed.
- If it is necessary to keep part or all of the room deposit, the balance must be brought current during the summer before the fall semester begins.

## **RESIDENCE HALL HOLIDAY SCHEDULE**

The residence contract period begins the first day of the semester and ends for students at 6:00 p.m. the day of their last final examination. (Items left on the premises at the termination of this contract become property of Williams Baptist University with the exception of students returning for the spring semester may leave personal items in their rooms.) Residence halls will remain accessible to students during Fall Break, Thanksgiving Holiday Break and Spring Break. Students will be

permitted to reside in their dorm room during these times at no additional cost. For the Christmas Holiday and Winter Break, the residence halls are closed excluding student-athletes (wrestling and men's/women's basketball) required to stay late and return early. Exceptions could also be granted for students that require accommodations (International students, out-of-state students, students with special circumstances, etc.). Those students permitted to stay during the Christmas Holiday and Winter Break may do so at the fee of \$20.00 per day. **However, food services will NOT be available, and residents are responsible for their meals. Residents staying in the residence halls during these times must notify the Resident Director.**
