THE COLLEGE

WILLIAMS BAPTIST COLLEGE SEAL

The seal of Williams Baptist College bears the motto "The Campus of Christian Purpose" and the Greek phrase, "MATHETEUSATE PANTA TA ETHNE," ("Make disciples of all nations"), part of Christ's Great Commission. The open Bible represented on the seal is symbolic of the idea that God's word is the source of all truth. The seal was adopted in 1941.

WILLIAMS COLORS

Williams' colors of blue and white signify patriotism and purity. These colors were chosen by the student body in 1957.

PHILOSOPHY OF STUDENT AFFAIRS

A Christian liberal arts college has dual responsibilities in faith and learning. At Williams Baptist College, Christian faith not only forms the foundation for education, but is also a goal in itself. Fulfilling its mission as a "campus of Christian purpose," the College promotes and teaches Christian faith and values hoping to instill in students a commitment to serve God and man. The Student Affairs program is committed to the objectives of a Christian liberal arts college and seeks to provide a living-learning environment that will foster the individual growth and development of each student.

STUDENT HANDBOOK/CATALOG

Each student enrolled at WBC has entered into an agreement to support and to abide by the purpose and mission of the College. The Student Handbook interprets this agreement by clarifying and delineating the policies, regulations, and guidelines that aid the institution's mission and purpose. Students are expected to know the contents of the Student Handbook and the College Catalog and to comply with the stated policies. The Dean of Students acts as editor of the Handbook. All changes, amendments, and corrections should go through the Office of Student Affairs.

STUDENT SERVICES

ACADEMIC ADVISING

Each student who enrolls at Williams is assigned an academic advisor who assists in planning the student's course of study. Students should meet
regularly with academic advisors. The Office of Academic Affairs is also available to assist students in their academic program.

Students have opportunities to participate in career fairs. In addition, Williams has an arrangement with Arkansas State University to use their Career Services Office.

**CHECK CASHING POLICY**

Students who write checks to the College, which are returned by the bank, are assessed a $10.00 fee for the first returned check and a $20.00 fee for the second returned check. After the second returned check, the check cashing privilege is suspended.

The College has convenient access to local and regional mental health services.

**FINANCIAL AID**

The financial aid program at Williams has two objectives: (1) To reward outstanding students for past academic accomplishments, (2) To assist students who, without such aid, would be unable to attend college. The Williams financial assistance program consists of grants, loans, and work

The Eagle Coffeehouse and Grill in the Student Center is also operated by Sodexo Campus Services and offers a variety of snacks and short orders.

HEALTH SERVICES

Williams Baptist College is located near many health providers in Walnut Ridge. In the event of emergencies, resident students who become ill or injured should notify the residence director who will either call 911 or arrange for transport to the Lawrence Health Services. Students with a non-emergency need can make appointments with physicians or other health providers in the area. The College assumes no financial responsibility for hospital, physician, or other medical charges. First aid supplies for minor injuries are available in the residence halls, gymnasium, Student Center, and Office of Student Affairs. An on campus nurse is available part-time for limited nursing duties. The Health Clinic is located in the Mabee Student Center.

Honors Housing for men and women is available in Southerland Hall Apartments. Twenty-four apartment units are available to married/single parent students. Chapel programs are offered each week during both semesters. Programs are designed to provide a variety of cultural, spiritual, and intellectual experiences for everyone. Chapel is required of all students at WBC. The Office of Student Affairs administers the chapel policy as determined by a faculty committee.

No attendance slips will be given to students after chapel has started and the doors are closed.

Students are allowed four absences per semester. Each subsequent absence will result in a $50 fine being placed on the student's account. Exemptions from chapel are possible in the following cases:

INTRODUCTION

Welcome to residence life at Williams Baptist College. This can be a rich and rewarding experience as you develop relationships with others in this unique environment.

It is our hope that you enrolled in this college because you have a sincere desire to make your individual life more effective for Christ. We are here for the same purpose, so it is only fitting that we should dedicate ourselves to help each other accomplish this worthwhile goal.

Residence halls can have a positive impact upon the educational achievement of students who live in them and upon a student's personal growth. The student's background, the decision to live in a residence hall, the peer group that exists within the residence hall, the student's roommate, and the Resident Advisor can serve to influence academic and personal growth.

Our desire is to work together by operating under the following goals:

Goal #1. To provide a living-learning environment that is conducive for individuals' academic and personal growth and development.

Goal #2. To provide facilities that are attractive, safe, clean, and well maintained.

Goal #3. To foster the development of service, leadership and interpersonal skills by encouraging self-governance and by providing educational, service, and social programs.

Goal #4. To provide trained staff and management services that help to ensure an orderly and effective administration of the residence life program.

By accepting admission to Williams Baptist College, you assume the responsibility to abide by the rules and Standards of Conduct of the College as well as city, state, and federal laws.

RESIDENT'S BILL OF RIGHTS

The residence hall is a community that depends on an understanding and toleration of different lifestyles, cultures, and rights of others. A recognition and responsibility of the welfare of others is also an indication of maturity. A summary of rights to help you and others on your floor relate successfully in a community living environment is listed below:

1. Residents have a right to live in a safe environment that is free of intimidation, physical, or emotional harm.
2. Residents have the right to study or to sleep without noise, interference, or distractions.
3. Residents have the right to personal privacy.
4. Residents have the right to expect respect for their personal property.
5. Residents have the right to live in a clean environment.
6. Residents have the right to complain to, and to expect assistance from, residence staff in settling conflicts.
7. Residents have the right to have guests with the expectation that these guests will respect the rights of other residents.
8. Residents have the right of free use and access to their room without pressure from a roommate or other residents.
9. Residents have the right to expect courtesy and consideration from a roommate or other residents.
10. Residents have the right to learn, to grow, and to develop as individuals with unique interests, differences, and values.

REMEMBER: You may choose to refuse these rights for yourself. However, you may not choose to refuse these rights of other residents.

RESIDENCE HALL DAMAGE ASSESSMENT

Ideally, the individual or group responsible for negligence or repair is charged with making restitution for the cost of restoration or repair; however, community assessment may occur at the discretion of the Dean of Students and Director of Maintenance.

Students who damage campus buildings and/or property will be billed by the Maintenance Department for the cost of repair. A fee sheet, with cost for repairs, is distributed to all resident students at the beginning of the semester. Additional copies are available at the front desk in each lobby. Students, causing damage, will also perform community service hours with the Maintenance Department based on the following:

- Total damages: $25 - 49.99 Community Service = 2 hours
- $50 - 74.99 Community Service = 4 hours
- $75 - 99.99 Community Service = 8 hours
- Above $100 Community Service = 40 hours

Any hours not worked will be placed on the student's account at the rate of $10 per hour.

RESIDENCE HALL APPEARANCE

All students are expected to take an active interest in the total appearance of the residence halls. By working together we can keep the lobbies and halls clean with a minimum number of work hours. When entertaining guests, the resident will be expected to clean up any mess that is
made. When visiting in another residence hall, pick up your clutter before leaving.

VISITING

Visitors are received in the main lobby of each residence hall. Therefore, residents should always be properly dressed and wear shoes in this lobby.

Please remove soda cans, trash, crumbs, etc., from the lobby. Students are not to sleep on lobby furniture. Rough and rowdy behavior cannot be tolerated. Please do not sit on lobby tables. The volume of the TV should be kept at a minimum. Be considerate of others who are visiting or studying in the lobby.

Lobby visiting hours end at 1:45 a.m. each night. Visiting through the windows of the residence halls is prohibited. There is a $100 fine for removal of screens from windows.

HALL RULES

Rollerblading, rollerskating, scootering, or biking inside the residence halls is not permitted. Playing with, throwing, kicking, or rolling any ball or sports paraphernalia inside the residence halls is also prohibited. No wrestling, sparring, or horseplay of any kind is permitted in the residence halls.

ROOMS

Room assignments are made through the Office of Student Affairs by the Residence Hall Directors. Every effort is made to honor requests for rooms and roommates. However, the College reserves the right to make changes deemed necessary. Every student has a roommate unless he or she wishes to pay for a private room (if available). Private rooms are assigned on the basis of seniority.

PRIVATE ROOMS

A student living alone in the residence hall will be charged for a private room except for the following situations:

1. When a roommate moves out, the room rate will not change as long as the student is willing to take a roommate or is willing to move in with another roommate.

2. Any student who is willing to move in with another roommate but one is not available.

Ordinarily, the student with less tenure as a student will be asked to move to the other student's room. This will prevail unless by mutual consent the other student prefers to move. The College reserves all rights in connection with room assignments to residence halls or the termination of occupancy.
HONORS HOUSING

Honors housing is available to students with a 3.0 GPA or higher. Students who apply for honors housing will be placed in the Southerland Apartments based on seniority. All residence hall rules and policies apply to honors housing. Visitation between males and females should be done outside the apartment with the door closed.

ROOM CHANGES

Students may not move from their assigned room without specific authorization from the Residence Hall Director. Students will be expected to live in the rooms assigned to them. Unauthorized moves may result in disciplinary action. If a move becomes necessary, some changes will be permitted. The Resident Director must approve room changes. Room changes must be made within the first three weeks of the semester. After that date, a $50 room change fee will apply. If there are two persons without roommates, they will be expected to move together and close the other room.

STEWARDSHIP OF PROPERTY

Students are to exercise the same respect for college furniture and housing as they would in their own home. The occupants of a room in the residence hall are financially responsible for all property that is part of the room including windows, screens, and doors. Occupants will be held accountable for any damage that occurs while living there.

Prior to leaving for breaks and holidays, students are expected to remove all trash from their rooms. Failure to do so, will result in a $10 fine per person/ per room.

ROOM CHECK

Students are expected to keep their rooms clean and orderly. It is a joint responsibility of roommates and/or suitemates to be good housekeepers. Each room will be checked weekly. However, the college reserves the right of periodic inspections of room conditions, including refrigerator contents, by residence hall administration at any time. In order for rooms to be in good condition, beds should be made; clothing should be in drawers or closets; trash containers should be empty; floor and furniture should be free from dirt, dust, and stains; books and other articles should be arranged so as to present an orderly appearance; commodes, basins, and showers should be clean. Remember: Dirty toilets, sinks & showers can fail a room. First fail--there will be no penalty. One hour of community service
will be assigned for each subsequent failure of room check. A member of the Maintenance Staff may accompany the RA during the weekly room checks.

**ROOM DECORATIONS**

Room decorations, such as pictures, pennants, and calendars, may be posted only in such a manner as to avoid damage to walls, doors, etc. Nails, screws, or staples are not allowed. Sticky tac is recommended. Obscene pictures or literature may not be displayed in a residence hall or anywhere in the room. Room decor may not be contrary to the values held by the college. The display of alcohol or tobacco related products is not allowed. Carpet is allowed, but may not be stuck down with tape or tacks. If carpet is brought, students are responsible for bringing a vacuum.

Blinds or drapes must be closed after dark if the room is lighted. Road signs, warning flares and similar paraphernalia are not permitted in the residence hall.

**ROOM INSPECTION**

Williams Baptist College reserves the right to inspect a room or apartment at any time. A room inspection may be performed when the presence of alcohol, drugs, or other contraband is suspected. The College reserves the right to call local authorities as necessary. When an inspection is performed, the following guidelines must be followed:

1. Two college officials, only one of whom can be a student, must perform the inspection.
2. Contraband that is found may be confiscated by the college official and/or police as evidence.
3. The Dean of Students will be notified of the results of the inspection.

**FURNITURE**

An inventory of the furnishings and the state of repair is taken at the start of each year and maintained by the residence hall director. The residents are advised to check the inventory and conditions of the room and furnishings with an RA at the time room is occupied. Furniture may not be removed from rooms. Lobby chairs are not to be taken to residence hall rooms.

**APPLIANCE FEE**

An appliance fee will be assessed to any residence hall student who has any one of the following appliances in his/her room: television, stereo, refrigerator (must not exceed 3 cubic feet nor use more than 2 amps), or
VCR. Hot plates, microwave ovens, toasters, space heaters, and similar appliances are not permitted in residence hall rooms. Hot pots and coffee pots are allowed.

RESIDENCE HALL ACTIVITY FEE
A $40 annual fee will be collected from each resident student during fall move-in time. This fee helps pay for residence hall activities.

VALUED ITEMS LIST
Even though the College cannot accept responsibility for theft or damage to items such as stereos, radios, bicycles, etc., a form to register valuables is available from the RA that will help in the event of theft or damage. Please provide the information to your Resident Director where it will be kept on file.

INDIVIDUAL PROPERTY LIABILITY
The College cannot accept responsibility for any theft or damage due to fire, water, etc., in college-owned facilities at anytime. Doors should be kept locked at all times. Students should check with their parents concerning insurance for items such as musical instruments, stereos, etc. The parents' personal property or home insurance may cover such items. Immediately report, in writing, any loss of property to the RA or Residence Hall Director.

MAINTENANCE
Students are not to contact maintenance directly. Report any room repairs and problems regarding lights, plumbing, doors, etc., to the RA on your hall or the RD. Please complete the form that is available at the front desk and turn it in to the RA or Residence Hall Director immediately. Specify where the problem is and put room number on the form. We can save time and expense by repairing minor defects before continued use creates a major problem.

RESIDENCE HALL MEETINGS
Attendance at all Residence Hall Meetings is required unless excused by the Resident Director. The Resident Advisors will ask the students who are on their hall to meet with them periodically. All meetings are for the purpose of improving communication, solving problems, providing information, etc. Absence from hall meetings will result in a fine.

RESIDENCE HALL ACCESS POLICY
The policy for entering and exiting the residence halls is designed to blend personal freedom and responsibility for the use of time on and off
campus. It is not designed to accommodate the indiscriminate use of time that jeopardizes personal safety, academic success, or that is incompatible with the College's values.

1. The residence halls will be secured and alarmed (lock-up) each night at midnight. Students may enter the dorm until 2:00 A.M. by contacting a security officer. It will be unlocked each morning at 6 a.m.

2. Anyone entering or exiting the residence hall after lock-up should present his/her student ID card to the safety officer on duty at the front desk. Failure to present proper ID may result in denying admittance or departure.

3. The safety officer will keep a log of students who enter or exit during these hours.

4. Students who violate the policy or who demonstrate irresponsible use of the policy may be referred to the Resident Director or to the Dean of Students for disciplinary procedures or other intervention.

**PET POLICY**

Except for fish, pets are not allowed in student housing.

**LAUNDRY ROOMS**

Remember that the laundry room is being shared with approximately 175 other students. Clothes should be removed from washers/dryers as soon as they are finished. Washing supplies are to be kept in students' own rooms. The laundry room is cleaned periodically and items left over 24 hours will be removed. Change machines are available in both the men's and women's lobby.

**TELEPHONE**

Local and in-house telephone service is available in the residence halls at no additional charge. Students will need to provide a phone. Long distance calling cards may also be used. Students are solely responsible for any long distance charges. To report problems with on campus phone service, call 759-4116.

**CABLE TELEVISION**

Cable service is available in the residence halls by calling SuddenLink at 886-2542. Satellite dishes are not allowed in the residence halls. Direct TV is not allowed.
STUDENT/RESIDENCE HALL SAFETY

The residence halls provide smoke detectors, fire alarms, fire escape exits, and intruder alarms on selected entrances and exits for student safety. It is a serious matter to tamper with any of this safety equipment because it affects the safety of all residence hall students and staff. Opening a firedoor will result in a $200 fine. Tampering or playing with the fire fighting equipment and/or alarms will result in disciplinary action, including, but not limited to, disciplinary dismissal.

Firearms, of any type, including look-alike guns, are not allowed on campus.

KEYS

Loss of any dorm room key, or lobby security key, results in a $50 fine per key.

MISCELLANEOUS

Camping is not allowed on campus.
Four wheelers are not allowed on campus.

EMERGENCY PREPAREDNESS PLAN

I. In Case of Fire
A. If a fire alarm sounds:
   1. Remain calm and be as quiet as possible.
   2. If time permits, put on a robe, raincoat, or long jacket for protection.
   3. Get a towel to put over your mouth and nose if there is smoke in the halls. Since smoke rises, stay as close to the ground as possible when exiting the building.
   5. Raise blinds.
   6. Leave room immediately with door open.
   7. Proceed to assigned exit to designated outside assembly area and report to your Resident Assistant.
   8. Remain in assigned area until the all clear sign is given.
   9. Do not re-enter building for any reason, (i.e., personal belongings).

II. In Case of Tornado
A. If a tornado warning is given:
   1. Proceed to first floor hall areas of buildings especially in Residence Halls and Southerland-Mabee Center.
2. Stay away from windows, doors and outside walls. Protect your head.
3. College staff will give directions.
4. It is recommended that you take a pillow or blanket with you. These items should be used to cover your head from potential flying debris.

III. In Case of Campus Evacuation
A. If the order to evacuate is given:
   1. Proceed to the College Chapel for instructions.
   2. All students will remain at the Chapel until further instructions are given by College Staff.

IV. In Case of Earthquake
A. If an earthquake is felt:
   1. If you are inside, stay inside, if you are outdoors, stay there.
   2. If indoors, take cover under a heavy desk, table, in a supported doorway, or along an inside wall. Stay away from glass. Don't use candles, matches, or other flame during or after the tremor because of possible gas leaks.
   3. If outdoors, move away from buildings and utility wires. The greatest danger from falling debris is just outside doorways and close to outer walls. Once in the open, stay there until shaking stops. If in a moving car, stop as quickly as safety permits, but stay in vehicle. When safe, proceed to Midkiff Meadows and await further instructions. Stay together with those who were in the same building with you. This will make it easier to determine if all are present.

FIRE PRECAUTIONS
To help prevent fire, residents are requested to observe the following precautions:
1. **Do not** overload or abuse electrical outlets.
2. Check appliance cords for frayed or worn areas.
3. Refrain from activities which involve incendiary (flame or explosion producing) devices in the residence halls or apartments such as candles and fire crackers. The use of incense in college housing is prohibited.
4. Candles are not allowed in the residence halls.
VALUES VIOLATION PROCEDURES

Statement of Values

Based upon the premise that each person has specific God-given abilities, and that each person is a part of a greater community which requires cooperation and mutual consideration, our goal within the Residence Halls at Williams Baptist College, is to provide an atmosphere in which a student may develop proper values, self discipline, a sense of responsibility, and desirable characteristics which will last an eternity. These values are compatible with the Christian faith and for the foundation of residence life, student activities, campus policies, Standards of Conduct, and other aspects of student life.

On May 2, 1980, the Board of Trustees adopted the statement below that summarizes the College's values:

"In line with this [Christian] orientation, every student is expected and required to respect and uphold personal and property rights; to foster and maintain those attitudes and conditions which contribute to the academic, moral, religious, and social goals of the college; and to manifest and act upon a genuine concern for the general well being of fellow members of the college community."

From this statement, the following list of values can be produced:

- Individual Worth
- Self-discipline
- Respect for Property and Environment
- Respect for Others

It is these values that best preserves the institution's Christian purpose and fosters the personal development of each individual.

The disciplinary system at Williams is designed to preserve the values of the campus community and to foster one's individual personal development. It is redemptive in nature, seeking to be just and equitable and to preserve the dignity and privacy of each individual. While every effort is made to protect the rights of the individual resident, the College does not attempt to duplicate civil or criminal court proceedings.

Therefore, the disciplinary system within the Residence Hall Community, seeks to endorse the philosophy of and to work in cooperation with the College's larger disciplinary system.

VIOLATIONS

A violation is any behavior that fails to uphold civil law, disrupts or threatens the peace, or jeopardizes the safety and welfare of persons or property. Violations are not tolerated and will result in an immediate disciplinary response.
Students should be aware, however, that a record of infractions is viewed seriously and can result in further disciplinary response.

**REPORTING VALUES VIOLATION**

See Section Disciplinary Procedures and Sanctions on page 23.

**ALCOHOLIC BEVERAGES/ILLEGAL DRUGS**

Students possessing, distributing, displaying or using alcohol and/or illegal drugs will be subject to immediate disciplinary action. Containers and posters or advertisements of such are prohibited in the rooms of the students and their vehicles.

Students present on campus where alcohol or controlled substances are being used, whether participating or not, are also subject to disciplinary action.

**ILLEGAL ENTRY**

Anyone opening the doors with anything other than a key will be confronted and dealt with in a disciplinary manner. Confidentiality is assured to those who report offenders, because safety is involved. If a student locks himself out, he should either find his roommate and use his key or get the Resident Advisor or Resident Director. Windows are not to be used for access. If the screen is removed, for any reason, other than fire, there is a $100 fine.

**OVERNIGHT GUESTS**

Overnight guests must register at the front desk. A resident who does not register his/her guest will be assessed $10.00 per night. Overnight guests are subject to the same regulations and standards as students. Guests may only stay as long as permission is granted by the Housing Director.

**HOUSING EVICTION**

The Resident Director may recommend to the Dean of Students, the eviction from student housing any resident whose influence is a detriment to other students, or who consistently manifests a noncooperative spirit in college housing. The College reserves the right to move a student when necessary.

**RESIDENCE HALLS CHECK-OUT PROCEDURES**

1. Everyone must go through a check-out procedure in order to receive the room deposit back. Returning students must do this or lose their housing deposit.
2. After everything has been moved out and the room and bathroom thoroughly cleaned, see the Resident Director or Resident Advisor and fill out the check-out form.

3. The walls and windows must be cleaned (no writing on the windows and all tape, posters, and stickers must be removed.)

4. The mirrors must have all stickers cleaned off.

5. The floors, toilets, and showers must be cleaned thoroughly. All residue must be removed from the floor.

6. Make sure all storage areas are cleaned out.

7. All furniture is to be moved back to its original place. The rooms will be checked by Resident Director after everyone has moved out of the residence halls. BE SURE TO TURN IN ALL KEYS. If the key is not returned, $50.00 will be charged to the resident so the lock can be changed.

8. If it is necessary to keep part or all of the room deposit, the balance must be brought current during the summer before the fall semester begins.

**PARKING**

Each student is required to register his/her vehicle with the Office of Student Affairs. Complete information on the car and the license number is required as soon as the vehicle is registered. All residence hall students are to leave their cars and/or motorcycles, parked in their own residence hall parking lot while on campus. Bicycles are legally considered a vehicle and riders must observe the same regulations as for automobiles. It is not necessary to purchase decals for bicycles.

**ID CARDS (BLUE CARDS)**

Student identification cards will be issued during registration by the Office of Student Affairs. ID cards are necessary for meals in the cafeteria, to check out recreational equipment, to attend athletic events, to use for Blue Business discounts, and to check-out books from the Library. Lost cards should be reported to the Office of Student Affairs immediately. Replacement cards are $10.00.

**RESIDENCE HALL CLOSING SCHEDULE**

The residence contract period begins the first day of the semester and ends for students at 6:00 p.m. the day of their last final examination. (Items left on the premises at the termination of this contract become property of Williams Baptist College.) All residents will be expected to vacate the residence hall by 6:00 p.m. on the day holidays begin. Residents staying in

All buildings on the WBC campus - Academic, Administrative, Athletic, Residential, and the Student Center – are declared to be "tobacco free" and all persons associated with the College are expected to adhere to the policy of not using tobacco products in campus buildings and not smoking within 50 feet of an entrance. Students are encouraged to become thoroughly familiar with this Residence Life section of the handbook. Failure to read these guidelines for residence hall living does not excuse a student from the requirements and regulations described herein. Please mark identification on your copy and keep it for reference during the year.*
NEED TO KNOW PAGES

Becoming a college student is the beginning of a whole new phase of life. Everything will be new, different, and exciting. Until the newness wears off, however, it can be a source of uneasiness and may even, to some, be pretty intimidating. If you fall into this category, find comfort in the fact that there are those who have been where you are right now and want to help out any way they can.

The "Need to Know Pages" are designed with one purpose in mind: To provide new students information that they "need to know" in order to succeed in college. Each page addresses important facts and issues to help the first few days of college go smoother and easier. If your question isn't addressed, consult the "Answer Pages" for a referral to the proper place.

Your success is very important to us. Everyone at Williams wants you to have an enjoyable and productive experience. Lots of help and support is available. Use this book to find out what and where it is located. By using this book, you will see that help and support are readily available.

RESIDENCE HALL LIVING

WHY SHOULD I LIVE ON CAMPUS?

On-campus living at WBC provides a great living and learning experience.

Students can experience living next to an individual from a different culture, a different section of America, or even a different country. Living in the residence halls plays an important role in your growth as you become a part of the academic community at WBC. Also, studies show that students who live on campus tend to make better grades. Reasons for this may include being closer to the library and the computer lab, or the fact that residence life is more conducive to studying than off campus housing.

WHAT IS AN RA?

An RA (Resident Advisor) is a part of the Residence Hall staff. Each residence hall has a well trained staff consisting of a Resident Director and Resident Advisors. The Resident Director is responsible for the total supervision, counsel, direction, and activities in the residence hall. The RAs provide assistance in the halls, the lobby, and the cafeteria. Get to know them as quickly as you can--and remember they are people who care about you.

WHO DO I SEE IF I HAVE PROBLEMS WITH MY ROOMMATE?

First, talk to your roommate. Many problems will improve with effective communication. Talk to him/her and see if things can be worked
out. It is always good in the beginning to talk about individual likes and dislikes and try to agree on certain "roommate guidelines." If things cannot be worked out, talk to your Resident Advisor (RA).

**HOW ARE ROOM ASSIGNMENTS MADE?**

Room assignments are made by the Residence Hall Directors. Every effort is made to honor requests for rooms and roommates. Each student has a roommate unless he or she wishes to pay for a private room (if available). Private rooms are assigned based on seniority.

**HOW DO I GET INVOLVED IN RESIDENCE LIFE?**

Studies have shown that students who become "connected" to their campus by belonging and participating in activities tend to persist in the attainment of their degree, have a higher grade point average and develop socially at a greater rate than their peers who do not get involved.

Residence Life offers many opportunities for your involvement.

**CAN I HAVE A MICROWAVE IN MY ROOM?**

Due to fire safety codes, cooking in the residence hall rooms is restricted. (Coffee pots and hot air popcorn poppers are allowed.) A microwave is also available in the private lobby of Wilson Hall and Southerland Hall. Also, residents are requested to refrain from activities which involve incendiary (flame or explosion producing) devices in the residence hall such as candles and firecrackers.

**CAN I HAVE CABLE AND A TELEPHONE IN MY ROOM?**

Yes! Cable service is available in the residence halls through SuddenLink by calling 886-2542. Local and in-house telephone service is provided for all students at no additional charge. Students will need to provide a phone. Long distance calling cards may also be used.

**WHY WAS MY HOUSING ASSIGNMENT CHANGED?**

We send room and roommate assignments out during the middle of July. Sometimes changes are necessary because your original roommate is not coming, you found a new friend at pre-registration, or other things happened that we couldn't anticipate. Whatever the reason, we will find you a new roommate.

**HOW DO I CHECK-IN?**

Upon arrival, report to the front lobby of your assigned residence hall. At that time, you will sign your housing contract, pay your Residence Hall Activity Fee ($40 per year, collected in the fall semester) and check into your room. Inspect your room and note any damages on the check-in sheet to avoid charges at check-out.
MARRIED/SINGLE PARENT HOUSING

HOW TO APPLY
Applications for on campus married student housing are included in the application packet provided by the Office of Admissions to new students. All applications are forwarded to the Office of Student Affairs. Current students may make application for housing through the Office of Student Affairs.

HOW ASSIGNMENTS ARE MADE
Housing units are assigned to students on a first-come basis according to the College's housing policy. Assignments are made by the Office of Student Affairs. Neither applications for housing nor rank on housing waiting lists guarantees a housing assignment. Once a tenant is notified of the definite availability of an apartment, the tenant is required to pay the deposit (equal to one month's rent). The deposit is to be paid within three business days from the time of notification. Tenants will not be officially given an apartment until this deposit is paid. Tenants are also asked to sign a tenant agreement form. The tenant agreement covers occupants of college-owned apartments and is effective on a month to month basis that must be renewed by July 1 of each year.

FACILITIES AVAILABLE
Three types of apartments are available to married students. All apartments have two bedrooms, one bath, storage room, a refrigerator, stove and a washer/dryer hookup in the bath. Utilities are paid by the renter.

RENTAL RATES/DEPOSITS
Nicholas West - $310 per month (utilities not included)
Callahan - $300 per month (utilities not included)
Nicholas East - $275 per month (utilities not included)
Deposit is equal to one month's rent, payable in advance.

Rent is paid in the Business Office located upstairs in the Administration Building. The first month's rent is due in advance prior to moving in to assigned unit and is due on the first of each month. Rent is prorated for partial month's occupancy.

UTILITIES
Students are responsible for obtaining utilities in units other than Southerland Hall apartments. Utilities are provided by the following companies:

Entergy (electric), 1-800-368-3749
Centerpoint Energy/ ARKLA (natural gas), 1-800-922-7552;
City Water Works, Walnut Ridge, 886-2312;
FINANCIAL AID

HOW CAN YOU PAY FOR COLLEGE?

There's no doubt about it: a college education is one of the most important (and one of the best) investments you will ever make. The Financial Aid Office at Williams understands this and wants you to know that if you have a question about your scholarship or loan, please come by the office or call us at 870-759-4112. The information below will help to answer some of your questions about financial aid and payment plans.

WHAT KINDS OF FINANCIAL ASSISTANCE ARE AVAILABLE?

The Financial Aid Office will be happy to provide you information about sources of financial assistance. This assistance can be in the form of scholarships, loans, grants, and work-study that is either funded by the state and federal government or Williams. All assistance has certain restrictions such as academic performance, income and availability. It is therefore very important to apply early in the spring.

HOW OFTEN DO YOU APPLY FOR FINANCIAL AID?

You must fill out a Free Application for Federal Student Aid (FAFSA) each spring to determine eligibility for federal funds for the next school year. The FAFSA determines if you are eligible for a Pell Grant, loan, and work-study. Applications can be obtained from the Financial Aid Office. After you have filled out the form, return it to the Financial Aid Office and we will process the form with the federal government for you and receive an electronic student aid report directly. Please complete this form before you leave for the summer.

If you have been awarded work-study for the fall semester, you will be given the name of your supervisor during registration at the Financial Aid table. You need to contact your supervisor the first week of school. When you meet with your supervisor, you need to bring your class schedule and the WBC Work Program sheet. The supervisor will schedule the work hours around your classes. After you have contacted your supervisor, you need to go by the Financial Aid Office. You need to bring your Social Security Card and Driver's License and fill out an I-9 and a W-4. This must be done before you can start work. Remember, that this is a real job! You need to
arrive on time and be ready to work. Your future employer will call us for a reference.

After you have started work, you will need to fill out a weekly time card. Cards can be picked up in the Financial Aid Office. This card will be turned into the Financial Aid Office after you and the supervisor have signed the bottom. Workstudy checks will be paid on the 10th of each month.

Students who are interested in work-study, and have not been placed, need to come by the Financial Aid Office for a list of openings.

**DO YOU WANT A FASTER METHOD OF APPLYING?**

Students who have all their financial assistance completed and in order will be assured of a quicker registration process in the fall. Students who have completed the application process prior to registration will receive a letter that indicates their specific financial aid awards.

Students who have not completed the application process or who have not received their awards letter, will be required to use the Williams deferred payment plan unless other arrangements are made.

**WHAT IS A DEFERRED PAYMENT PLAN?**

Williams Baptist College realizes that all students cannot pay the entire balance of their account at the time of registration, therefore, Williams offers a deferred payment plan. Under the deferred payment plan, $1500.00 or one-fourth of the students' total account, (whichever is larger) is due and payable at registration. This can be paid through financial aid grants, scholarships, or loans. However, the necessary documents (FAFSA, scholarship letter, taxes, etc.) must be on file in the Financial Aid Office prior to registration.

The balance will be divided into three equal payments, with the payments billed on a monthly basis. Due dates for payment will be October 10, November 10, and December 1, for the fall semester. A finance charge at the rate of .833% per month will be levied on any unpaid balance. Prior to final exams, students who have an unpaid balance must contact the Business Office at 870/759-4123.

**ACADEMIC ADVISING**

**WHAT IS ACADEMIC ADVISING?**

The assistance and advice offered to aid students in charting their course of study is referred to as academic advising. The counsel that students receive from the first class until graduation can help determine a smoother and faster educational experience.
HOW DO I GET AN ACADEMIC ADVISOR?

The Office of Academic Affairs is responsible for assigning every new student at Williams to a faculty member for academic advising. You will be given the name of your permanent academic advisor on your data sheet. Usually, students keep the same academic advisor for their entire college career. The relationship between an academic advisor and a student often becomes one of the most rewarding and durable relationships a student will enjoy at Williams. In fact, friendships between academic advisors and students may well last a lifetime.

WHAT DOES THE ACADEMIC ADVISOR DO?

The academic advisor works closely--and individually--with you to arrange each semester's class schedule. Moreover, the academic advisor assists you in the development of an overall degree plan. This degree plan becomes the blueprint for guiding a student through the College's requirements. Academic advisors counsel students personally concerning their academic progress and their college experience generally. Students who experience any difficulty in their academic program will find their advisor eager to offer assistance and mature advice.

IF I ATTEND A PRE-REGISTRATION SESSION DURING THE SUMMER WILL I HAVE AN ACADEMIC ADVISOR AVAILABLE TO HELP ME DETERMINE MY FALL SCHEDULE?

Yes, students who attend pre-registration sessions in the summer work with an advisor on a fall schedule. This pre-registration advisor may or may not be assigned to the student as a permanent advisor.

HOW IMPORTANT IS MY ACADEMIC ADVISOR?

You should regard your academic advisor as a valuable--vital--resource. Never hesitate to consult your academic advisor on any matter pertaining to your college experience.

WHY GET INVOLVED?

The academic programs at WBC make enormous contributions to prepare students for their chosen vocation. At Williams, students are encouraged to become involved in extracurricular opportunities to aid their personal development as well as supplement their academic training.

Employers recognize that students' extracurricular activities supplement and enhance their intellectual capacity. In fact, for many employers, the experiences outside the classroom give the best indication of what graduates can do. Grades show the employer that they know their discipline, but can they practice it?
Involvement also provides important information about student identity, values, and abilities. If students serve as officers in a club or organization, it implies that students have leadership skills. Active participation in athletics or intramural sports implies physical fitness and strength. Students who value service to others demonstrate this through participation in community service projects.

More important than what involvement tells about a student is what it can do for them. Alexander Astin, an educational researcher, states that students' satisfaction with their college experience is directly proportional to their level of involvement. Put another way: If you want to feel good about your college experience, GET INVOLVED!

Students who experience a satisfactory college experience have established significant relationships with friends and faculty or staff members; have developed a stronger personal identity and increase self confidence; and have accumulated skills and experiences which will aid them in their future. Involvement in campus life can provide all this and more.

**HOW DO I GET INVOLVED?**

Numerous avenues exist for you to be involved on campus through clubs and organizations, intramural sports, residence halls, and so on. Some students arrive on campus and immediately find themselves in the middle of everything. Some are reticent and prefer to slowly pick and choose. Still others prefer to be asked or prodded to participate. Here are some suggestions for getting involved - no matter what type of student you are:

1. **LOOK.** Be aware of opportunities. Read fliers and newsletters. Listen to announcements.
2. **THINK.** Consider the opportunities in relation to personal interests, previous experience, and skills.
3. **SELECT.** Decide on the level and quality of involvement can be handled with respect to your time and abilities.
4. **ATTEND.** Get out of your room. Go to meetings. Attend campus events.
5. **VOLUNTEER.** Let your interest be known. Raise your hand or sign-up when help is solicited. Tell a student leader of your interest.
6. **CREATE.** If you don't find a spot that meets your needs and interests, make one. Form a new club. See the resident director about a program idea. Develop a service project or volunteer where there is a need.

Remember: The secret ingredient in student life is . . .the student. Now is **YOUR** time. Begin to explore who you are and to discover what you can do and become. GET INVOLVED!

Students who are interested in participating are encouraged to join a team or form their own team. T-shirts are given at the end of each semester to winning teams.

Much creativity and fun go into the process of selecting team names and nicknames for individual team members. Many teams purchase t-shirts with their names printed on them.

Interested students should look for announcements about organizational meeting times and competition schedules. This information is posted on the bulletin board in the cafeteria.
